**RESPONSE**

Dear Sir:

This response is to the Notice to File Corrected Application Papers mailed December 1, 2003 and is being filed in conjunction with a Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b).

The Notice required the filing of replacement drawings in compliance with 37 CFR 1.121. In particular, it required the submission of new drawings for Figures 3, 9, 10 because the line quality was too light and for Figure 8 because it was not on paper with a white background.

Applicant has enclosed replacement drawings for Figures 3, 4 (not required), 8-9, and 10 addressing all of the above deficiencies. No new matter has been added to the replacement drawings.

Respectfully submitted,

Dated: October 31, 2005.
